

Email Delivery Troubleshooting

Northwest Flyers Track & Field

If you are not receiving emails from our system, please review the following troubleshooting steps to ensure messages are delivered properly:

- Check your spam or junk folder for any missed emails.
- Add our email address **notification@thedriven.net** to your contacts or safe sender list.
- If you use Gmail, check your Promotions or Updates tabs for our messages.
- Ensure your mailbox is not full and that no email filters are redirecting our messages.
